

# Opal-WS mini PACS

Your Practice. Your Preference.  
Your Productivity Solution.

## PACS SOLUTIONS FOR EVERY PRACTICE

### Feature-Rich, Affordable PACS Solution: The Truly Web-Based Mini PACS

Enjoy the benefits of Opal-WS paired with the modality of your choice. Opal-WS is completely web-based, and can be put on the cloud. The software allows users to enjoy the flexibility of our Enterprise-Level Opal-RAD PACS at an appropriate size and cost for smaller practices. The software includes tools for technologist QC as well as a full-featured web viewer.

#### Single Source Solution

Combine Opal-WS PACS with mOpal, our Zero-Footprint DICOM Viewer, and you have Anywhere, Anytime Viewing, on any web-enabled device.

#### Workflow Your Way

Opal-WS has intuitive features needed to make any practice more efficient and increase workflow.

#### Seamless Integration

Viztek offers a Radiologist Report Module, complete capabilities to integrate with EMR, and has secure offsite Disaster Recovery to Viztek's Data Center.

# OPAL-WS Mini PACS

## Go Digital with Opal-WS

Viztek delivers an advanced workstation to seamlessly integrate clinic workflow while encompassing a powerful suite of digital radiology tools.
